THIT (Transforming Healthcare with IT) is an annual international conference and the largest healthcare conference in India organized by Apollo Telemedicine Networking Foundation, part of Apollo Hospitals Group.

- THIT offers its attendees comprehensive two days interactive sessions, educational programs, social activities and a trade exhibition showcasing the latest products, technology, services and industry information.
- The scientific program features eminent national and international speakers.
- The audience profile includes decision makers in the emerging Healthcare IT arena including leading IT companies and healthcare institutions.
- Several National and Government organizations have been endorsing and participating in this event since 2010
